

Why Choose a Mascot?

Mascots are memorable and create good-will for your organization. A well designed mascot creates a sense of bonding with the community and adds a smile and feel-good sensation to everyone he meets.

Mascots become your community ambassador at charity walk-a-thons, parades, school fun-fairs, photo-ops in the media, hospital visits to children, school safety programs, visiting seniors in community centres and homes.

Your mascot becomes the face for social media...

In today's world of Facebook, websites & blogging, your mascot can be a recognizable image and tool for interactive media.

Educating future generations... Mascots are a fantastic way to teach our children about safety, creating trust and building long lasting relationships.

A mascot costs less than any other marketing medium including newspaper, radio or tv advertising and it will keep working for many years!

A mascot is fun, friendly and approachable... It can bring a smile to a child's face when comfort is needed during a difficult time. There is nothing quite like a big mascot hug!

We Stand By Our Work

We have successfully been making the highest quality mascots since 1985. Your mascot will look like the artwork! We will capture the integrity of your character in a 3 dimensional, larger than life costume. Our mascots come with a warranty but more than that, they come with an experienced team that has been working together for many years. Each mascot we make is designed and built with performer comfort in mind, using top quality, washable materials.

Our attention to detail, both in the production and in customer service sets us apart. We provide ongoing support and give you detailed care & cleaning directions with helpful hints on setting up a mascot program. Furthermore, we maintain a full-service maintenance & cleaning department to ensure that you have ongoing support throughout your mascot's lifetime.
